

# LAGOON 52

01/2013

English

**CONSTRUCTION**

- Materials used: infusion of polyester resin and high quality anti-osmosis resin on a balsa wood frame and fibre glass skin. Hull bottom and keel in infused monolithic laminate.
- Structural partitions (sandwich balsa) par infusion.
- Bilge painted light grey.
- Hull finished with white gel coat.
- Bridge in white gel coat with non-slip diamond plate.

**STEERING EQUIPMENT**

- 2 suspended rudder blades: stainless steel spindle and foam sandwich
- Epoxy ruddertrunk tubes.
- Self-aligning upper and lower bearings.
- Fully hydraulic gears\_1 hydraulic jack per rudder blade\_ hydraulic generator in starboard engine compartment.

**PROPULSION - ENGINE AND GEARS**

- Access to engine compartment from transoms via panels with stainless steel jacks.
- 2 YANMAR Sail drive 54hp Diesel
- Engine controls and control panels at helm on flybridge
- 2 propellers: 3 blades 18x14 LH
- Hold ventilation: Natural aeration and forced extraction in rear section
- 1 220V socket per engine compartment
- 1 light in each engine compartment.
- Engine compartment soundproofing: foam on engine partitions.

**FUEL CAPACITY**

- 2 aluminium 496L fuel tanks: 992L in total, under flooring.
- Refill access on bow port side bridge near cockpit.
- Equipment includes:

- electric reading gages on map table.
- filtration: prefilter vessel with sensor and filter.
- fuel cut-out remote control in stern port and starboard cabins

**PLUMBING**

- Drinking water:
  - 4 fresh water tanks- 960L in total – located under cabin flooring.
  - Fresh water circuit including 1 12V water plants (in port engine compartment)
  - 1 220V 60L water heater /engine exchanger (in port engine compartment)
  - 1 hardshower in skirt(EC/EF) (in port engine compartment)
  - Fresh water drain with code on bridge.
- Waste water:
  - Waste water from showers and sinks disposed of through individual cases with automatic pumps.
  - Kitchen sink empties directly into sea.
  - Cockpit sink empties directly into sea.
- Sewage:
  - 1 sewage tank as standard in owner's cabin WC (73 litres), deck or sea gravity drain.
  - Manual fresh water toilet in every WC.
- Drainage circuit:
  - Self-emptying cockpit in line with EC standards.
  - Electric sump pump with automatic release in each hull + forced start with manual release + sump level alarm.
  - 1 manual sump pump per hull, activated from cockpit.
  - 1 electric drainage pump per engine compartment with automatic release.
  - 1 manual pump per forepeak, activated from cockpit.

**ELECTRICITY**

LED lighting throughout boat

Wireless lighting, centrally controlled from touch screen on map table.

- 12V circuit including:
    - 1 4'3" touch screen controls: lighting, battery level, fuel gages, water, navigation lights
- Available according to finish and options (Generator, AC): AC source management.
- 1 set of 12V 6x140Ah service batteries
  - 1 12V 80Ah alternator.
  - 1 12V 48Ah gel cell starter battery

#### INTERIOR FIXTURES AND FITTINGS

##### ■ Versions

- VERSION 4: galley in mess, 4 cabins (owner's cabin to starboard), 4 bathrooms.
- VERSION 5: galley in mess, 5 cabins (owner's cabin to starboard), 5 bathrooms.  
Starboard hull and galley the same in all 3 versions.
- VERSION 3: galley in mess, 3 cabins (owner's cabin to starboard, 2 cabins + stern kitchen in port hull), 3 bathrooms.  
Galley the same in all 3 versions.

#### GENERAL

- Made in vertical grain grey oak Alpi plywood
- Dark brown laminate flooring
- Handrails in leather-coated stainless steel

#### MATTRESS AND BEDDING

- Maritime mattresses in honeycomb foam with varied densities for greater comfort and restful sleep (120mm thick)
- Treated mattress: anti-mite, anti-fungus, antibacterial, hypoallergenic
- Lagoon colour scheme fabrics
- Synthetic materials adapted to the marine environment:

Machine washable at 40°C

Good UV resistance

Water- and stain- resistant treatment.

Ceiling in upholstered plywood

- Wood ceiling on hull in cabins
- Privacy curtains in cabins

#### Description of identical fittings in 3, 4, and 5 cabin versions:

#### GALLEY

- Vast panoramic galley - headroom: 2.15m
- Upholstered steel posts
- Varnished high dining table interchangeable with small cockpit table
- Aluminium sliding door with lock provides access to cockpit, can be locked open or closed
- 4 under-floor boxes in middle of boat with hatches on hinges and jacks.
- 4 panels open on to front windows, open inwards.
- Wooden gunwale with storage on port side
- Curtains to side and front of coachroof
- 1 entrance per hull.

#### Starboard

- 6 seater "U" shaped sofa with chaise longue at front
- Boxes under benches.
- Shelving to rear of bulkhead and coachroof (HiFi available as extra)

#### Port

- L shaped kitchen on coachroof bulkhead with central island.
- L shaped installation:
  - "Platinum" grey synthetic resin worktop (KERROCK).
  - Storage: 1 door with shelving (optional 12 place dishwasher)
  - chest of 3 drawers

- Bin on worktop
- 2 large stainless steel sinks + 1 spray attachment
- Under-sink storage: 2 doors
- oven and 5 gas hobs
- drawer under oven
- Storage: 1 door with 2 shelves (optional 130L fridge or 110L storage or 12 bottle wine cellar)
- Fittings with shelving to rear of bulkhead and coachroof, (220V socket in finishing pack and optional microwave)

• **Central island:**

- 2 covered drawers
- 2-door storage with shelving

• **Rear galley (4 and 5 cabin version) :**

In port corridor.

- Refrigerator unit (200L) in upper section and freezer (60L) in lower section with jacks on doors.
- plated electrical cabinet
- 1-door storage with shelving in inner gunwale (optional 5kg washer/dryer)

• **Rear galley (3 cabin version):**

In port corridor.

- Refrigerator unit (200L) in upper section and freezer (60L) in lower section with jacks on doors.
- 1-door storage with shelving in outboard side, opposite access (optional 5kg washer/dryer)
- high storage with "shutters" and shelving
- worktop
- 1-door storage with shelving in inboard gunwale opposite fridge
- laundry basket in inboard gunwale opposite fridge
- 220V socket (Essentials pack)
- deck hatch

**MAP TABLE**

Found to the bow of the boat.

- Storage area for maps
- Large instrument panel with electrical access panel
- 1 pouffe under map table
- 1 220V

**In galley:**

- LED spotlights on ceiling
- indirect lighting in ceiling cornice.

**Starboard hull identical in 4, and 5 cabin versions:**

**Starboard bow cabin:**

- Access via galley through hatch in starboard bow.
- Cabin closed with standard door.
- 1 double bed – 2.05m x 1.60m – with side access, bed with slats optional.
- Headboard with storage.
- 2 drawers under bed.
- Storage in outboard: wardrobe + shelving
- Shelving and 2 level bookcase. (TV optional)
- 1 fixed hull window in screen printed PMMA with porthole
- Privacy curtains (optional shutters)
- 1 round deck hatch with mosquito net and blind
- Direct access to bathroom via shower, with full length mirror on cabin side of door.
- Minimum headroom: 2.05m.
- 1 220V socket (Finishing pack)
- Upholstered panels on ceiling liners
- General cabin lighting with two way switch by bed and reading lamp in headboard.
- Indirect lighting under first shelf and cornice (by finishing)
- Two way switch in headboard and by cabin doorway

**Bathroom in starboard bow cabin**

- Bathroom accessed through cabin.
- Solid resin countertop (white).
- Mixer tap.
- Anti-skid composite flooring (Teak flooring with black joints available)
- 2 door upper cabinet with mirrors above sink.
- Large manual fresh water toilet in every WC.
- Toilet paper holder
- Headroom: 2.05m.
- Plexiglas shower door.
- Composite shower duckboard with drainage. (Teak slats available)
- Storage in shower block.
- Deck hatch with mosquito net and blind.
- 3 spotlights

**Starboard stern cabin: owner**

- Access via galley through starboard hatch.
- Separate toilet
  - Large manual fresh water toilet in WC.
  - 3 door storage intoilet.
  - Sewage tank in passageway
  - Toilet paper holder
  - 1 deck hatch
- Desk with flap and pouffe as standard.
- Shelf at desk along outboard side on the whole cabin length.
- Upholstery above shelf along entire gunwale.
- 2 level bookcase
- 1 fixed hull window in screen printed PMMA with porthole
- Privacy curtains (optional shutters)
- Full length cabinet inboard opposite WC.
  - Double wardrobe + 1 shelving unit.
  - Large low cabinet with three drawers
  - Eye level storage with flaps.
- 1 double bed across hull (2.05m x 1.60m) with side access, bed with slats optional.
- 2 x 2 drawers under bed (left and right)
- Headboard with storage.

- 2 round deck hatch with mosquito net and blind
- Open bulkhead for direct access to bathroom.
- Minimum headroom: 2.05m.
- 1 220V socket in desk + 2 sockets in headboard to port and starboard.
- Upholstered panels on ceiling liners
- General cabin lighting with two way switch by bed and reading lamp in headboard.
- Indirect lighting under first shelf and cornice (by finishing)
- Two way switch in headboard and by cabin doorway

**Starboard stern bathroom: owner**

- Bathroom accessed through cabin, PMMA bulkhead between cabin and bathroom
- Plexiglas shower door.
  - Storage in shower block.
  - Composite shower duckboard with drainage. (Teak slats available)
- Bathroom opens onto cabin
  - Solid resin countertop (white).
  - Mixer tap.
  - 2 door cabinet under sink
  - 2 door upper cabinet with mirrors.
- Panoramic window with porthole opening aft.
- Headroom: 2.05m.
- 3 spotlights

**Starboard hull identical 3 cabin versions****Owner cabin in starboard hull**

- Access via galley through sliding door in starboard hatch.
- Full length cabinet in 2 sections, opposite hatch:
  - Upper section: 2 wardrobes + shelving.
  - Lower section: - chest of 3 drawers
- Desk with flap and pouffe as standard.
- Shelf at desk along outboard side on the whole cabin length.
- Upholstery above shelf along entire gunwale.

- 2 level bookcase
- Inner gunwale:
  - Double wardrobe + 1 shelving unit.
  - Large low cabinet with three drawers
  - Eye level storage with flaps.
- Two door storage: access to electrical cabinet above, shelving below
- 2 seat sofa
- 1 double bed across hull (2.05m x 1.80m) with side access, bed with slats optional.
- 2 x 2 drawers under bed (left and right)
- Headboard with storage.
- low storage unit against engine bulkhead: sliding doors with shelving
- 1 fixed hull window in screen printed PMMA with porthole
- 2 round deck hatch with mosquito net and blind
- Minimum headroom: 2.05m.
- 1 220V socket in desk + 2 sockets in headboard to port and starboard.
- Upholstered panels on ceiling liners
- Privacy curtains (optional shutters)
- General cabin lighting with two way switch by bed and reading lamp in headboard.
- Indirect lighting under first shelf and cornice (by finishing)
- Two way switch in headboard and by cabin doorway

#### **Starboard owner's bathroom, WC, and shower**

- Bathroom accessed through cabin.
- Solid resin countertop (white).
- Mixer tap.
- large mirror above sink.
- shelving above sinks:
  - 2 door upper cabinet above sink.
  - 4 storage compartments by worktop, protected by opaque Plexiglas sliding doors
  - Storage unit with shelving
- storage under sinks:
  - 4-door storage with shelving

- 3 drawers
- 1 flap
- Headroom: 2.05m.
- Separate toilet
  - access via bathroom through double sliding door in opaque/transparent PMMA.
  - Large manual fresh water toilet in WC.
  - low storage unit in WC: - door with shelving (bidet available)
  - Toilet paper holder
  - 1 fixed hull window in screen printed PMMA with porthole
- Headroom: 2.05m.
- Separate toilet
  - access via bathroom
  - wall bar with mixer tap
  - large pull-down teak base
  - storage in shower block.
  - storage in shower with laminate door and shelving
  - 1 deck hatch
- Headroom: 2.05m.

#### **Port hull in 4 cabin version**

##### **Bow port cabin:**

- Access via galley through hatch in port bow.
- Cabin closed with sliding door.
- 1 double bed – 2.05m x 1.60m – with side access, bed with slats optional.
- Headboard with storage.
- 2 drawers under bed.
- Full length cabinet in 2 sections:
  - Upper section: 2 wardrobes + shelving.
  - Lower section: - chest of 3 drawers
- L-shaped bookshelf with two levels, shelving in outboard (TV available)
- Desk height L-shaped countertop along gunwale
- Desk + flap.

- 4 storage units under outboard countertop
- 1 fixed hull window in screen printed PMMA with porthole
- Privacy curtains (optional shutters)
- 2 round deck hatch with mosquito net and blind
- Direct access to bathroom via shower, with full length mirror on cabin side of door.
- Minimum headroom: 2.05m.
- 1 220V socket in desk
- Upholstered panels on ceiling liners
- General cabin lighting with two way switch by bed and reading lamp in headboard.
- Indirect lighting under first shelf and cornice (by finishing)
- Two way switch in headboard and by cabin doorway

#### **Bathroom in port bow cabin**

- Bathroom accessed through cabin.
- Solid resin countertop (white).
- Mixer tap.
- Anti-skid composite flooring (Teak flooring with black joints available)
- 2 door upper cabinet with mirrors above sink.
- Large manual fresh water toilet in every WC.
- Toilet paper holder
- Headroom: 2.05m.
- Plexiglas shower door.
- Composite shower duckboard with drainage. (Teak slats available)
- Storage in shower block.
- Deck hatch with mosquito net and blind.
- 3 spotlights

#### **Stern port cabin:**

- Accessed from cockpit via gull-wing doors with lock (shutters available).
- 1 double bed – 2.05m x 1.60m – with side access, bed with slats optional.
- Headboard with storage.
- 2 drawers under bed.

- Full length cabinet in 2 sections:
  - Upper section: 2 wardrobes + shelving.
  - Lower section: shelving
- Desk height L-shaped countertop along gunwale
- Desk + flap.
- Chest of 3 drawers under desk
- Shelving and 2 level bookcase. (TV optional)
- 1 fixed hull window in screen printed PMMA with porthole
- Privacy curtains (optional shutters)
- 2 round deck hatch with mosquito net and blind
- Direct access to bathroom, with full length mirror on cabin side of door.
- Minimum headroom: 2.05m.
- 1 220V socket in desk
- Upholstered panels on ceiling liners
- General cabin lighting with two way switch by bed and reading lamp in headboard.
- Indirect lighting under first shelf and cornice (by finishing)
- Two way switch in headboard and by cabin doorway

#### **Stern port cabin bathroom**

- Bathroom accessed through cabin.
- Solid resin countertop (white).
- Mixer tap
- Anti-skid composite flooring (Teak flooring with black joints available)
- 2 door upper cabinet with mirrors above sink.
- Shelving with stainless steel toerail on inboard
- Large manual fresh water toilet in every WC.
- Toilet paper holder
- Headroom: 2.05m.
- Separate shower with Plexiglas door.
- Composite shower duckboard with drainage. (Teak slats available)
- Storage in shower block.
- Panoramic window with porthole opening aft.
- 3 spotlights

**Port hull in 5 cabin version****Bow port cabin:**

- Access via galley through hatch in starboard bow.
- Cabin closed with standard door.
- 1 double bed – 2.05m x 1.60m – with side access, bed with slats optional.
- Headboard with storage.
- 2 drawers under bed.
- Storage in outboard: wardrobe + shelving
- Shelving and 2 level bookcase. (TV optional)
- 1 fixed hull window in screen printed PMMA with porthole
- Privacy curtains (optional shutters)
- 1 round deck hatch with mosquito net and blind
- Direct access to bathroom via shower, with full length mirror on cabin side of door.
- Minimum headroom: 2.05m.
- 1 220V socket (Finishing pack)
- Upholstered panels on ceiling liners
- General cabin lighting with two way switch by bed and reading lamp in headboard.
- Indirect lighting under first shelf and cornice (by finishing)
- Two way switch in headboard and by cabin doorway

**Bathroom in port bow cabin(identical in all versions)**

- Bathroom accessed through cabin.
- Solid resin countertop (white).
- Mixer tap.
- Anti-skid composite flooring (Teak flooring with black joints available)
- 2 door upper cabinet with mirrors above sink.
- Large manual fresh water toilet in every WC.
- Toilet paper holder
- Headroom: 2.05m.
- Plexiglas shower door.
- Composite shower duckboard with drainage.

(Teak slats available)

- Storage in shower block.
- Deck hatch with mosquito net and blind.
- 3 spotlights

**Mid port cabin:**

- Bunkbeds across hull (2.05m x 0.90m)
- Large storage bottom bunk. Hatch under mattress.
- storage in bottom bunk headboard
- storage in top bunk foot-board
- Large 2 door cupboard in inboard.
- wardrobe
- shelving
- 1 hull porthole.
- Privacy curtains
- Direct access to bathroom via shower, with full length mirror on cabin side of door.
- Minimum headroom: 2.05m.
- 1 220V socket (Finishing pack)
- Upholstered panels on ceiling liners
- General cabin lighting with two way switch by bed and reading lamp in headboard.
- Indirect lighting under first shelf and cornice (by finishing)
- Two way switch in headboard and by cabin doorway

**Mid port bathroom**

- Bathroom accessed through cabin.
- Bathroom accessed through corridor, day toilet
- Solid resin countertop (white).
- Mixer tap.
- Anti-skid composite flooring + large teak duckboard
- large mirror above sink.
- Storage behind mirrored door to left of sink
- 2-door storage with shelving below sink
- Fitted shower
- Storage in shower block.
- Fold-away Plexiglas protector for sink

- Large manual fresh water toilet in every WC.
- Toilet paper holder
- Headroom: 2.05m.
- Deck hatch with mosquito net and blind.
- 3 spotlights

#### **Stern port cabin:**

- Accessed from cockpit via gull-wing doors with lock (shutters available).
- 1 double bed – 2.05m x 1.60m – Semi-island bed with one side access
- Headboard with storage.
- 2 drawers under bed.
- Full length cabinet in 2 sections:
  - Upper section: 2 wardrobes + shelving.
  - Lower section: shelves
- Shelving and 2 level bookcase. (TV optional)
- Low one-door storage unit against bathroom bulkhead
- 1 fixed hull window in screen printed PMMA with porthole
- Privacy curtains (optional shutters)
- 1 round deck hatch with mosquito net and blind
- Direct access to bathroom, with full length mirror on cabin side of door.
- Minimum headroom: 2.05m.
- 1 220V socket
- Upholstered panels on ceiling liners
- General cabin lighting with two way switch by bed and reading lamp in headboard.
- Indirect lighting under first shelf and cornice (by finishing)
- Two way switch in headboard and by cabin doorway

#### **Port stern bathroom (identical in all versions)**

- Bathroom accessed through cabin.
- Solid resin countertop (white).
- Mixer tap
- Anti-skid composite flooring (Teak flooring with black joints available)

- 2 door upper cabinet with mirrors above sink.
- Shelving with stainless steel toerail on inboard
- Large manual fresh water toilet
- Toilet paper holder
- Headroom: 2.05m.
- Separate shower with Plexiglas door.
- Composite shower duckboard with drainage. (Teak slats available)
- Storage in shower block.
- Panoramic window with porthole opening aft.
- 3 spotlights

#### **Port hull in 3 cabin version**

##### **Bow port cabin:(same as 5 cabin version)**

- Access via galley through hatch in starboard bow.
- Cabin closed with standard door.
- 1 double bed – 2.05m x 1.60m – with side access, bed with slats optional.
- Headboard with storage.
- 2 drawers under bed.
- Storage in outboard: wardrobe + shelving
- Shelving and 2 level bookcase. (TV optional)
- 1 fixed hull window in screen printed PMMA with porthole
- Privacy curtains (optional shutters)
- 1 round deck hatch with mosquito net and blind
- Direct access to bathroom via shower, with full length mirror on cabin side of door.
- Minimum headroom: 2.05m.
- 1 220V socket (Finishing pack)
- Upholstered panels on ceiling liners
- General cabin lighting with two way switch by bed and reading lamp in headboard.
- Indirect lighting under first shelf and cornice (by finishing)
- Two way switch in headboard and by cabin doorway

#### **Bathroom in port bow cabin(identical in all**

**versions)**

- Bathroom accessed through cabin.
- Solid resin countertop (white).
- Mixer tap.
- Anti-skid composite flooring (Teak flooring with black joints available)
- 2 door upper cabinet with mirrors above sink.
- Large manual fresh water toilet in every WC.
- Toilet paper holder
- Headroom: 2.05m.
- Plexiglas shower door.
- Composite shower duckboard with drainage. (Teak slats available)
- Storage in shower block.
- Deck hatch with mosquito net and blind.
- 3 spotlights

**Port stern cabin (same as 4 cabin version)**

- Accessed from cockpit via gull-wing doors with lock (shutters available).
- 1 double bed – 2.05m x 1.60m – with side access, bed with slats optional.
- Headboard with storage.
- 2 drawers under bed.
- Full length cabinet in 2 sections:
  - Upper section: 2 wardrobes + shelving.
  - Lower section: shelves
- Desk height L-shaped countertop along gunwale
- Desk + flap.
- Chest of 3 drawers under desk
- Shelving and 2 level bookcase. (TV optional)
- 1 fixed hull window in screen printed PMMA with porthole
- Privacy curtains (optional shutters)
- 2 round deck hatch with mosquito net and blind
- Direct access to bathroom, with full length mirror on cabin side of door.
- Minimum headroom: 2.05m.
- 1 220V socket in desk
- Upholstered panels on ceiling liners

- General cabin lighting with two way switch by bed and reading lamp in headboard.
- Indirect lighting under first shelf and cornice (by finishing)
- Two way switch in headboard and by cabin doorway

**Port stern bathroom (identical in all versions)**

- Bathroom accessed through cabin.
- Solid resin countertop (white).
- Mixer tap
- Anti-skid composite flooring (Teak flooring with black joints available)
- 2 door upper cabinet with mirrors above sink.
- Shelving with stainless steel toerail on inboard
- Large manual fresh water toilet
- Toilet paper holder
- Headroom: 2.05m.
- Separate shower with Plexiglas door.
- Composite shower duckboard with drainage. (Teak slats available)
- Storage in shower block.
- Panoramic window with porthole opening aft.
- 3 spotlights

**BRIDGE****Transoms**

- 1 handrail + 1 spray attachment (EC/EF) in starboard transom.
- 1 swim ladder in starboard transom.
- 1 swim ladder in starboard transom.

**Cockpit**

- Large cockpit in salon, protected by rigid bimini with spotlights.
- Cockpit level with galley.
- Anti-skid flooring (teak available)
- "U" shaped bench to starboard. 1 gas storage unit in base.
- Removable cockpit table, interchangeable with

- inside table.
- Table storage unit in ceiling.
- Storage along starboard side of cockpit: 1 flap with access to external bin + storage Optional ice maker in cabinet.
- Storage along port side of cockpit: 1 sink + mixer tap + grey resin countertop under flap, and two door storage unit (optional 80L cockpit fridge).
- Pass-through to inside via sliding window
- Access to flybridge via port side cockpit.
- Access to port stern cabin from cockpit. • Cabin closed with gull-wing door on jacks.
- 1 Lazy boy with storage unit in base.
- 2 cockpit lighting areas.

#### **Flybridge**

- Access via stairway on port side of cockpit and directly from the starboard or port side of bridge.
- 1 helm with:
  - 1100mm diameter wheel.
  - Central console with handrail, electronic receiver (optional), electronic engine controls, windlass control (optional), and light switches.
- Engine panel on port side
- All lines led to forward section of flybridge around 3 winches.
- 3 Line storage boxes.
- Glass holder + storage tray on port side
- Base to starboard bow.
- Sun bathing area to rear of flybridge (upholstery available)
- Helmsman base cushion as standard.
- 2 flush deck hatches that can be used as scoops near cockpit
- 1 mainsail winch to rear of flybridge.

#### **Foredeck**

- 1 deck hatch for access to forward technical compartment:
  - service batteries

- generator (optional), chargers (optional), converter (optional)
- 1 cockpit with "U" shaped bench (optional upholstery).
- 1 2000W 12V electric windlass with horizontal gipsy (12mm chain) and remote control.
- 2 units: 1 chain locker to starboard of windlass and 1 storage unit to port
- Composite longitudinal compression beam including: anchor chain run, forestay chain, optional staychain and genaker tack fittings, 1 mooring cleat.

#### **Bow lockers**

- Access via deck hatch in bridge
- Painted grey.
- Stainless steel ladder
- Lighting

#### **Deck Hardware**

- 11 mooring cleats
- Harken deck gear.
- 1 x 50 mainsail halyard electric winch to bow of helm: mainsail halyard and reefing lines.
- 3 x 50 manual winches: 2 for Genoa lines and 1 for halyard and reefer lines
- Running rigging:
  - 1 double purchase spectra mainsail halyard
  - 1 spectra Genoa halyard with tension adjustment track at mast base
    - 1 boom topping lift
    - 3 reefing lines
    - Genoa sheets
    - Mainsail sheet led back to winches via boom
    - Main traveller adjustment next to port side winches
- Manual jib furler
- Bow pulpits with wooden seats
- 610mm stanchions, 2 lifelines
- PVC toerail

### **Aeration**

- Fitted deck hatches
- Large PMMA hull windows with portholes
- PMMA coachroof windows
- Sliding door in safety glass with white lacquered frame
- Safety glass window with sliding door for access to port side stern cabin with anti-UV protection.
- 1 stern port fixed window with panel

### **Mast/Rigging**

- Anodised aluminium mast and boom with track and traveller.
  - Double spreader rig
  - 2 shrouds with chafe guards
  - 2 lower shrouds with chafe guards
  - 1 forestay with manual furler.
- Anodised aluminium boom
- Anodised aluminium transversal crossbeam
- Adjustable Lazy Jacks with spreaders
- Composite longitudinal beam

### **Sails**

Full batten mainsail: 125m<sup>2</sup> 2-ply Dymension Polyant Dacron, 3 reefs  
Self-tacking jib on manual furler 82m<sup>2</sup> 2-ply Dymension Polyant Dacron, anti-UV strip

### **Decoration**

- Decorative grey strip at porthole height
- LAGOON logo on sides of coachroof.
- Model name on stern of each hull

### **US SPECIFICATIONS**

For boats sold in USA only

- Electronics in 110V
  - 110V sockets
  - Propane gas circuit with solenoid valve
